

include/object\_test.h

```
graph TD; A[include/object_test.h] --> B[stdio.h]; A --> C[types.h];
```

A diagram illustrating header file dependencies. At the top, a gray rectangular box with a black border contains the text 'include/object\_test.h'. Two blue arrows originate from the bottom center of this box. The left arrow points diagonally down and to the left, ending at a white rectangular box with a gray border containing the text 'stdio.h'. The right arrow points diagonally down and to the right, ending at a white rectangular box with a black border containing the text 'types.h'.
